

Questions for Reflection

E41: How Siri Taught Me to Ask for What I Want

1. Do you ever struggle with clearly stating what you want or need? How could more clarity help you in your relationships?
2. When you clearly state your needs do you sometimes feel selfish? Why?
3. Have you been the recipient of an unclear instruction? Was it frustrating? How did you handle it?
4. Have you ever used a voice assistant? Have you been surprised at how clear you needed to be?
