E47: The Scars of a Lifelong Illness (With Daniel)

1. Are you, or someone you know, dealing with a lifelong illness? Do you have scars from that?
2. Do you struggle with healthcare? Have you thought about how our healthcare system affects people with pre-existing conditions?
3. Do you have any stereotypes around people with Diabetes? How does Daniel's story challenge those ideas?
4. Do you tend to judge people for their illnesses? Why is that?
